Sustainable Development Goal Target 4.7:

By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, ***promotion of a culture of peace and non-violence,*** *global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development.*

Peace education **about** peace - knowledge

Peace education **for** peace - skills

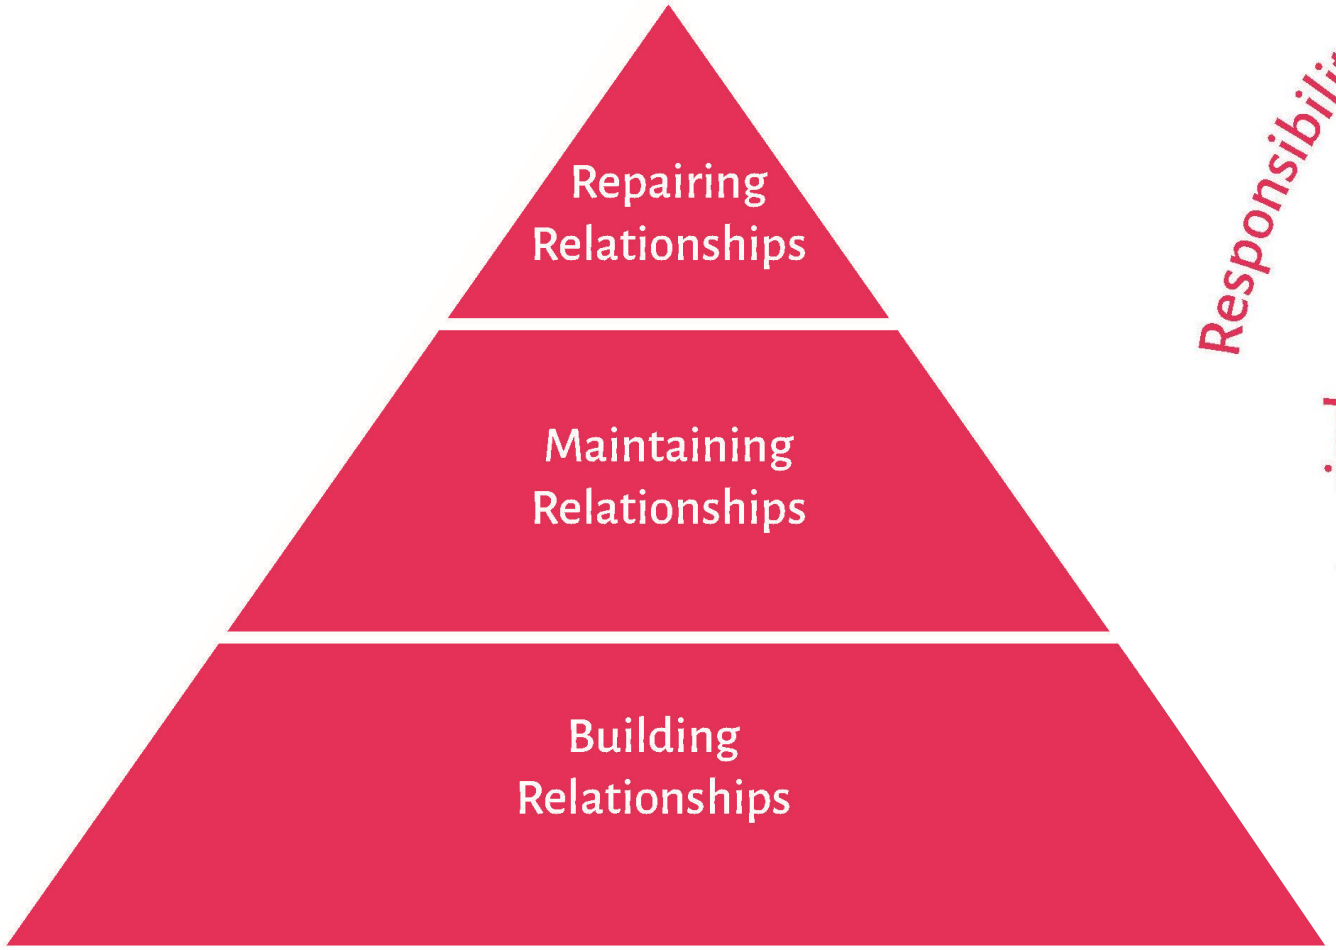
Learning for Peace

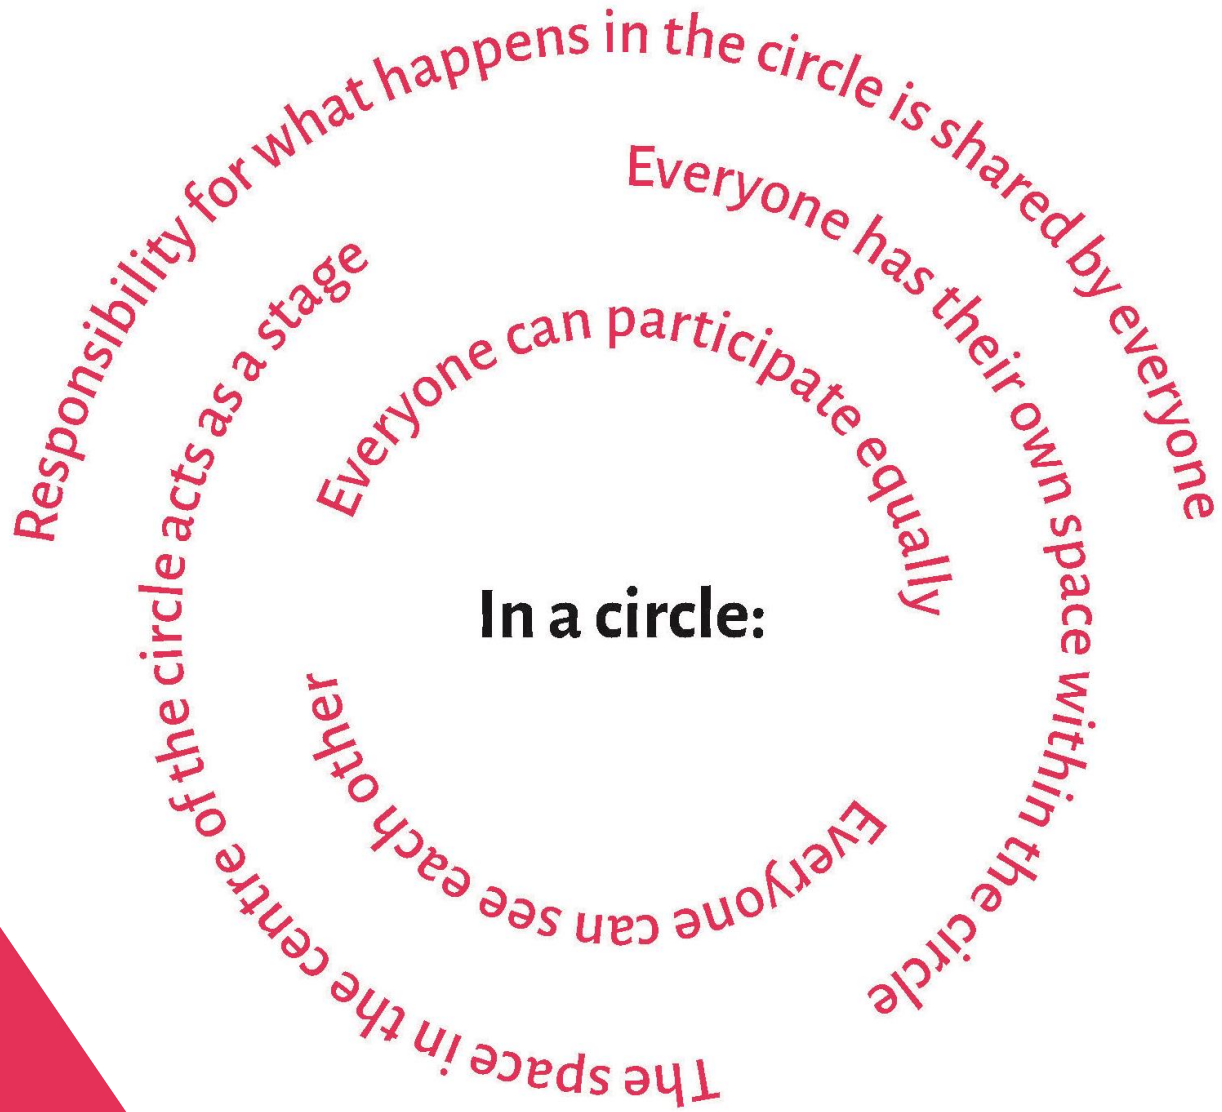
a toolkit for peace education in primary schools

peacemakers
educating for peace

- Peace within
- Peace between
- Peace among
- Peace in the world



Repairing Relationships
Maintaining Relationships
Building Relationships



In a circle:
Responsibility for what happens in the circle is shared by everyone
Everyone has their own space within the circle
Everyone can participate equally
Everyone can see each other
The space in the centre of the circle acts as a stage

Power with not power over

Learning: reflect, process, review

“How can peace education help us learn to live with difference in an increasingly polarised world?”
